MM Docket 93-270

REPLY COMMENTS AND EXPRESSION OF INTEREST

It has been recently brought to my attention that a request has been made to the Commission to delete the FM channel at Cuthbert, Georgia. I respectfully request that this action not occur since I am hereby filing an expression of interest in this allocation. Cuthbert presently has only daytime service. An FM radio station is the only way Randolph county Georgia can have a local nighttime service.

Therefore, I am making a request that the Allocations Branch allow channel 264A to remain at Cuthbert, and if it does I, or an entity in which I am a participant, will promptly file an application for construction permit to build and operate this station.

Attached as Exhibit I is a copy of a letter mailed by me to the FM Branch requesting that an applications window be opened, or that channel 264A at Cuthbert be declared a "First Come/First Serve" channel. In either case, I, or an entity in which I am a participant, will be an applicant.

Therefore, the Commission should not deprive a community of 4,340 persons an opportunity to have its first full-time aural service by deleting channel 264A at Cuthbert.

Re: Request for Applications Window  
Ch 264A Cuthbert, Ga.

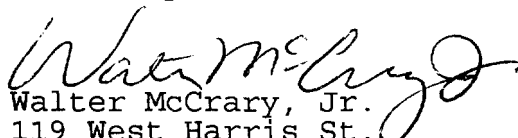

Dear Mr. Caton:

Please be advised that tomorrow I will file with the Allocations Branch an expression of interest in channel 264A at Cuthbert, Ga. Recently there had been a petition filed with the Allocations Branch requesting that this allocation be deleted. I am very much interested in the allocation of this channel at Cuthbert and have begun the preliminary planning to file an application for this channel. Either I, or an entity in which I will participate, will be an applicant.

Therefore, I respectfully request that this letter be forwarded to the FM Branch and that they open an applications window, or declare the channel to be a first come/first serve allocation.

My entity will timely file the required application for a construction permit according to the requirements set forth by the FM Branch.

Sincerely,

  
Walter McCrary, Jr.
